Dear Chief Lazzarotti:

On behalf of the Accreditation Program Commissioners and our entire organization, please accept my congratulations on achieving Police Agency Accreditation through the NJSACOP Law Enforcement Agency Accreditation Program. You and the members of your agency can be justifiably proud of this accomplishment.

We look forward to working together with you and the men and women of your agency over the next three years as you maintain your accredited status, and work towards re-accreditation.

At your convenience, please let me know if you would like to have your Accreditation Certificate presented to you at a public meeting or other event.

Please feel free to reach out to me or our Accreditation Program Manager, Lloyd Nippins, if there is anything that the NJSACOP can do for you or your agency.

Again, congratulations on your outstanding achievement.

Sincerely,

Mitchell C. Sklar
Executive Director
