Resolution No. 129-2013*

OPPOSING S-2163 and A-3696
REQUIRING BINDING ARBITRATION OVER DISCIPLINARY MATTERS
INVOLVING NON-TEACHING STAFF

WHEREAS, New Jersey's local boards of education represent the community's interests in the governance and financial oversight of school districts that serve the educational needs of nearly 1.4 million children; and

WHEREAS, Proposed legislative, Senate Bill 2163 and Assembly Bill 3696, would give non-teaching employees, such as teacher assistants, bus drivers and cafeteria aids, tenure-like protection by forcing school districts to enter into binding arbitration over non-renewal of employment, as well as virtually any "disciplinary" action, ranging from reprimands to withholding increments; and

WHEREAS, S-2163 and A-3696 would undermine the authority of local boards of education, the public's elected and appointed representatives, by preventing them from negotiating disciplinary procedures to effectively and efficiently manage employee conduct and performance; and

WHEREAS, mandated binding arbitration would require the expenditure of valuable time and resources, while placing critical decisions in the hands of arbitrators, who are not accountable to the taxpayers of the community; and

WHEREAS, S-2163 and A-3696 would subject economic decisions, such as a reduction of non-teaching staff due to a budgetary shortfall or enrollment decline, to binding arbitration; and

WHEREAS, S-2163 and A-9696 define "disciplinary action" so broadly that the term would include non-renewals and employment contracts, thereby bypassing court rulings that have consistently held that the decision not to renew fixed-term contracts of such staff does not constitute discipline; and

WHEREAS, extending binding arbitration to such "disciplinary" matters involving non-teaching staff employees will have an adverse impact on local school budgets at a time when school districts must make the best possible use of limited financial resources.

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of Burlington, calls on the Governor and the New Jersey Legislature to reject any and all measures that would require binding arbitration over disciplinary matters and non-renewal of employment; and

BE IT FURTHER RESOLVES, that copies of this resolution be forwarded to Governor Chris Christie, Senate President Stephen M. Sweeney, Assembly Speaker Sheila Y. Oliver, State Senator Diane B. Allen, and Assembly Representatives Herb Conaway, Jr. and Troy Singleton; and

BE IT FURTHER RESOLVED, that a copy of this resolution be provided to the New Jersey Boards Association.

Resolution No. 130-2013*

SOLUTIONS TO SCHOOL VIOLENCE

WHEREAS, a prerequisite for effective learning is a safe and secure environment; and

WHEREAS, school violence poses a direct and material threat to the safety of our children and their ability to succeed academically; and

WHEREAS, too many schools have been subject to horrific acts of violence, resulting in the injury and death of children, adolescents and school staff; and

WHEREAS, tragedies such as those in West Paducah, Kentucky, at Columbine High School in Colorado and most recently in Newtown, Connecticut underscore the need for meaningful action to address access to firearms, the delivery of mental health services, and the focus on violence in our society; and

WHEREAS, profiles of school shooters illustrate the need for a thorough examination of mental health services; and

WHEREAS, our society is saturated with depictions of violence, which desensitizes our youth; and

WHEREAS, school security is a complex issue requiring both effective responses to societal issues and the implementation of enhanced security measures in school buildings; and

WHEREAS, our school community and our community at large include individuals whose knowledge should be engaged in the search for effective responses to the issue of school violence.

NOW, THEREFORE BE IT RESOLVED, that the Common Council of the City of Burlington, in the County of Burlington, State of New Jersey urges President Obama, Congress, Governor Chris Christie and the New Jersey State Legislature to identify and implement meaningful actions that address legal access to firearms and ammunition, the delivery of mental health services, and financial support for initiatives to ensure a safe and secure school climate, and

BE IT FURTHER RESOLVED, that the City of Burlington Common Council urges the state and federal governments to provide funding for local law enforcement activities, such as the School Resource Officer Program, that are directed toward youth in schools and in communities; and

BE IT FURTHER RESOLVED, that such action should include consultation with experts in elementary and secondary education, higher education, mental health and law enforcement; and

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to President Obama, U.S. Senator Robert Menendez, U.S. Senator Frank Lautenberg, Representative Leonard Lance, Governor Christie, State Senator Diane Allen, Assembly Representative Herb Conaway, Jr., Assembly Representative Troy Singleton, the New Jersey School Boards Association, and the National School Board Association.

Resolution No. 131-2013* **REMOVED FROM CONSENT**

OPPOSING S-1191 / A-3627 UNDERMINING A SCHOOL BOARD'S ABILITY TO SUBCONTRACT SERVICES

WHEREAS, New Jersey's boards of education represent the community's interests in the governance and budget oversight of school districts that collectively serve the health and educational needs of nearly 1.4 million children; and

WHEREAS, school boards continually strive to provide cost-effective ways to deliver services, which will free up additional funds to be used in the classroom or for property-tax relief; and

WHEREAS, many New Jersey school boards have found subcontracting of services such as transportation, cafeteria and maintenance is an option that has saved millions of tax dollars every year; and

WHEREAS, 40 percent of school districts responded to a 2009 survey conducted by the New Jersey School Boards Association, which found the responding districts save more than \$34 million annually through subcontracting services; and

WHEREAS, Senate Bill 1191 and Assembly Bill 3627 of the 2012-2013 Legislative Session is a union-backed bill that would place severe obstacles in the way of a school board's ability to subcontract services and save tax dollars; and

WHEREAS, the sole purpose of Senate Bill 1191 and assembly Bill 3627 is to undermine a board's ability to subcontract services, thereby increasing school employees and increasing rolls of union membership, which generates more dues for union coffers; and

WHEREAS, Senate Bill 1191 and assembly Bill 3627 would remove a school board's option to subcontract services, thereby diverting funds from the classroom and burdening property taxpayers.

NOW, THEREFORE BE IT RESOLVED, that the Common Council of the City of Burlington, calls on the New Jersey Legislature to reject any such measures that will have the effect of depleting limited resources from the classroom; and

BE IT FURTHER RESOLVED, that a copy of this resolution shall be forwarded to members of the seventh legislative district delegation, legislative leadership and to the Governor of the State of New Jersey, and to the New Jersey School Boards Association.

Upon the motion of Councilwoman Woodard, seconded by Councilwoman Hatala, the foregoing resolution was introduced.
