City of Burlington Division of Public Works is responsible for coordinating Trash Collection (or Garbage Pick-up) with the sanitation company hired to haul household trash. We will forward your concerns to the contractor to ensure that you receive the service that the City has contracted for. We try to be courteous in all our communications, and appreciate your patience and civility.

Direct any questions or comments to [Public Works](#) Secretary at 609-386-0200 ext. 124.
