

NOTICE

All Burlington City Residents

The City of Burlington Water Department will be conducting their semi – annual hydrant flushing of the distribution system. This will take place starting Monday, September 29, 2025, through Wednesday, November 26, 2025, during the hours of 7am-3pm Monday thru Friday.

This may cause some discoloration of your water for a brief period, but your water will be safe to drink at all times.

Thank you for your consideration.

Marc Zott
Burlington City Water Superintendent
