RE: Walnut Park Improvements

Dear Residents,

Please be advised that construction operations at Walnut Park will begin on August 1st and are anticipated to be completed by October 15th (weather permitting).

We appreciate your cooperation and understanding while these improvements are completed.

There will be various traffic control measures in place to facilitate this operation. We ask that residents be mindful of the operation and travel through the work area with caution. We will do our best to minimize the inconveniences associated with this work.

We ask that all vehicles in proximity to the park be removed from the roadway between the hours of 7:00 AM and 5:30 PM during the workday.

Thank you in advance for your cooperation on this matter.

Should you have any questions or concerns, please feel free to contact this office at 856-832-4680.

Sincerely,

Ron LaBenski, Project Manager
