

City of Burlington Water Department

Public Notice – City of Burlington Fall Hydrant Flushing

The City of Burlington Water Department will be flushing hydrants starting Monday, September 28th, 2026, through the hours of 8AM – 3PM. A slight discoloration of the water and low water pressure may develop during flushing. Please allow the water to run clear from the tap before washing laundry and normal use.

Thank you for your understanding during the hydrant flushing maintenance.

City of Burlington Water Department, (609) 386-0307
